

Cancelation Policy

We understand that there are times when you miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment schedule.

If an appointment is not cancelled at least 2 business days in advance or if a patient is 15 minutes past their scheduled time, we will have to cancel the appointment and you will be charged a 1 hour minimum anesthesia charge.
